Scholarship Season Is Here

Here at BayPort, we recognize the importance of higher education but also understand it can come with a pricetag. That is why we founded our scholarship program almost 60 years ago. Since then, BayPort has awarded nearly \$1 million in scholarships to support member students in funding their educational pursuits.

We offer different scholarship types to qualifying members, including high school seniors, individual Student-Run Credit Union tellers and members, college students, and full-time working professionals going back to school. **Scholarship application deadline for the 2020-2021 school year is March 31, 2020.** To learn more, visit our website.
