BayPort Awards Scholarships to 16 College Students, Working Professionals and 24 High School Seniors

Since 1961, BayPort has supported members by funding their educational pursuits. Over that time, we have awarded nearly \$1 million in scholarships. This year, BayPort will award over \$100,000 in scholarships and grants to help students, teachers, and parents. Our scholarship program is open to high school seniors preparing to enter college, current students, and working adults who are obtaining degrees.
